

The (Re)Ritualisation of the Transition to Motherhood within the Church of England

Alice Watson

*For J, who led me into the chaos of God's deep. And for T, who brought
me back out.*

For all those men and women who have mothered me.

For my sacred sisters - Ruth, Sam, Sue, and Mary.

And for Emma - supervisor and vocational midwife. Thank you.

The cover picture is *Mother and Child* by Cécile Schnyder
